

How Can I Partner with Oleg to Win the Next Generation for Christ in Moldova?

YOUTH OUTREACH

"I am sending you to them to open their eyes and turn them from darkness to light, and from the power of Satan to God, so that they may receive forgiveness of sins and a place among those who are sanctified by faith in me." (Acts 26:17-18)

New Hope's vision is building bridges, to mobilize churches, to win the next generation for Christ. This involves investing in national Christian leaders, within Moldova, to multiply the work of ministry, changing a nation by bringing the next generation, the youth, from darkness to light.

Current New Hope Moldova Staff

Staff Support (\$50-\$100) - The vision of the New Hope Moldova team is to *dramatically* change their nation for Christ, by winning the next generation, bringing them from darkness to light, to go on and become leaders themselves and to impact Moldova for generations to come. **Without the staff's ability to survive, there can be no outreach and no social projects.** Your \$50 provides a monthly salary for 1 part-time staff member. \$100 covers the monthly salary for 1 full-time staff member. **New Hope's first priority is to fund a core team, so that they can expand and reach more and more youth for Jesus Christ.**

School Ministry (\$15)—God has provided in-roads to reaching the youth of Moldova through public school ministry, involving abstinence training and anti- drug and alcohol talks. This also provides opportunities to invite them to New Hope Youth clubs, where they can hear more about Jesus. In the more remote villages, the schools even allow New Hope to conduct "creation vs. evolution" debates. Your \$15 provides one month of funding to equip a team to reach out in a public school.

Youth Clubs (\$35)—Youth clubs give unbelieving youth a chance to learn more about Jesus and interact and fellowship with other youth. Your \$35 provides materials and resources for outreach and fellowship, and rents a place for the club to meet, providing a neutral place for outreach for an entire month.

Drama Teams (\$15)—Drama teams work in the schools, churches and youth clubs. Your \$15 covers their budget for an entire month, providing training materials, resources and costumes, allowing these teams to bring the Gospel to life through drama.

Youth Pastor Training (\$8)—Training up Christian leaders is essential to making a significant impact on the next generation in Moldova. Your \$8 provides a month of training for a Youth Pastor, who will go on to lead a New Hope youth club, win the next generation to Christ and get them connected with a church for ongoing growth and discipleship.
